### Selling Point

(1) Simply apply to the eyelids and create double eyelids **before sleeping**. When you awake in the following morning, you get your eyes bigger with double eyelid just like your favorite fashion models. Of course, you can use during day time too, which helps to become **the natural double eyelid**. (2) It's made of **medial tape**, so that it's difficult to get rash. (3) **Easy to apply** with peeling slit. (4) The **transparent hard tape** is resistant to water and sebum and do not easily fall off. (5) **Double-side tape** holds strong even thick eyelids to create your ideal double eyelids.

### Instructions

(1) Wipe off the sebum and dirt on eyelids. The oily dirt makes the stickiness of the tape weak. (2) Peel off the center sheet of the transparent base sheet down to the tape you want to use, and take the tape off to your eyelid. It may be easier to apply by cutting off the tape from the set before use. (3) On your eyelid, peel off the both side sheet carefully. (4) Peel off the yellow sheet on the surface. (5) by using the pusher, push up the tape into the eyelid to create double eyelid. \*Also recommended to use the spatula side of the pusher, and find an easy apply in your style.

### How to remove

Wipe gently and rinse off with facial cleanser by rubbing in a circle motion on eyelids. Please do not rub strongly or peel off forcibly, which way cause a skin damage.

### Safety Precautions

- This product is made of medical tape to be gentle to skin. However, discontinue using if the product disagrees with your skin or in the following cases; skin redness, itching, irritation, or any abnormality of skin during use. In such case, it is recommended to consult dermatologist. By continuous use, it may worsen the symptoms.
- Do not apply to wound, swelling, eczema or other abnormality of skin.
- During the use of pusher (spatula), be careful not to damage eyes or eyelids. ● Do not use for other purposes. ● This product has strong stickiness, so be careful not to damage skin when removing tapes by rubbing strongly or peeling off forcibly. Please follow the removing instruction. ● Avoid wearing for a long time. ● Do not store the product at high temperature and humidity or in the direct sunlight. ● Keep out of infant's reach.
