Selling Point

- ① Only 3 seconds of spraying onto the makeup, it prevents makeup collapse and drying by the external factors.
- ② The coating ingredient "POLYQUATERNIUM-56" to prevent the makeup collapse forms the transparent veil over the skin surface.
- ③ Blended with "OLEANOLIC ACID" and "ROSA MULTIFLORA FRUIT EXTRACT" for preventing sebum shininess prevents the makeup collapse by sebum.
- ④ Skin-friendly moisturizing ingredients are upgraded from 13 types to 29 types.
- ⑤ No Fragrance, No Coloring, No Mineral Oil, Paraben Free!
- ⑥ No Whiteness, No Stickiness!
- ⑦ No color-transfer, so no worry to wear masks for hay fever and for avoiding the drying.

Instructions

After makeup, spray from about 30 cm away to the whole face with eyes closed. Then, adapt to the skin and wait until dry.

Spray it in an upright position, without shaking it.

Safety Precautions

- Stop using if you have abnormality in skin or disagrees with your skin.
- Please pay attention to your skin whether any abnormality appears. Discontinue using if the product disagrees with your skin or shows the symptoms such as below. Continuous use may worsen symptoms. Consult your dermatologist if necessary.
 - Skin redness, swelling, itching, irritation, color-loss (vitiligo), blackheads or any abnormality of skin, during use of product.
 - If the skin shows any abnormality with direct sunlight after the use.
- In case getting into eyes, immediately rinse eyes with water or worm water.
- Keep out of infant's reach.
- Do not store the product at high or low temperature, in the direct sunlight, or around the heating appliance such as a fan heater and heating source because there is a risk of exploding by the heat.
- Please be sure to close the container cap after use.
- To dispose, remove the gas by pressing the injection button until the spray sound disappears at outdoor in the absence of fire. Please discard according to local rules.
- Keep the spray nozzle clean and dry. In case of the button hole is stuck and it doesn't spray, remove the button and soak in hot water for about 5 minutes, then place it back.
