Now you can wear fashionable half-pants neatly!

Instructions

Please apply on dried off skin. Please be careful with dripping because it may become soft with temperature and skin temperature. Please be careful with spraying because there is a possibility of splashing around by spraying when you push. Please do not use near infants. Please make sure there are no people around you, spray from 3 cm away to the part you are going to remove hair and cover with enough thickness over removing hair. Normally leave it for about 1 to 3 minutes (depending on part and amount of hair, 5 to 10 minutes), then remove with absorbent cotton or gauze. Please rinse thoroughly with water or lukewarm water afterwards. Please apply it without touching nails or scratches.

Safety Precautions

(1) Please do not apply it on the weak part of the skin, face and bikini line. (2) Please do a patch test every time before use. (3) Please rinse immediately if this product sprayed to the hair and nails.
 ● Please apply a small amount to the inconspicuous part of hair removed area beforehand, and do not use if it creates rash, itch, redness. ● Do not apply on face, scratches, swelling, eczema, rash, other inflamed areas. ● There are individual differences in the applying time. Please note that it may cause inflammation on skin and dangerous if the applying time is too long. ● Avoid continuous use in short time on the same body part. Please use it after about a week. ● Please stop using it if you feel sick with odor. ● In case of abnormality such as redness, itching, irritation during use, stop using and it's recommend consultation with a dermatologist immediately. ● Please rinse with water or lukewarm water immediately if sprayed on clothes. ● In case it gets in your eyes, rinse with water or lukewarm water immediately.
